Research Grant 2027

The Sri Lanka Dental Association (SLDA) invites applications for competitive research grants in dentistry for the year **2027**. Two (02) research grants will be awarded in the following categories:

1. Clinical / Laboratory-Based Research
2. Public Health / General Dental Practice-Based Research

Eligibility

The applicant shall:

1. Be the Principal Investigator (PI) of the proposed research project.
2. Be a Life Member of the Sri Lanka Dental Association (SLDA).
3. Propose research that is relevant to his/her field of work or specialty.

If there are co-investigators, they should be Life Members or Associate/Annual Members of the SLDA.

Grant Amount

The maximum grant amount and project duration are as follows:

- Clinical / Laboratory-Based Research: Up to Rs. 400,000/-
- Public Health / General Dental Practice-Based Research: Up to Rs. 150,000/-

The grant will be awarded for a period of **one year**, with the possibility of an extension for a further year depending on the circumstances and progress of the project.

Application Requirements

The application should include:

- Duly completed application form
- Research project proposal

- Full CV of the Principal Investigator
- Brief CVs of all co-investigators
- Proof of ethical clearance
- Any other relevant supporting documents

Soft copies of the completed application form and all required supporting documents should be submitted by email to the Honorary General Secretary, SLDA, at contact@slda.lk.

Application Deadline- 30th November 2026
